

Product Information

TEAR DROPS

Description

This is an effective, mild product with a pH of 7. It can be used to clean floors, walls and all washable surfaces. This product has a balanced formula suitable for both general and tough cleaning requirements. It penetrates soil quickly, holds it in suspension and rinses free to leave a thoroughly clean, streak-free surface.

This product is phosphate free, biodegradable, nonflammable and nontoxic. It can be used on any surface not harmed by water alone and is especially effective for maintaining metal interlocked floor finishes. In addition, it can be used for cleaning painted surfaces, metal and masonry.

Recommended Uses

- (1) As a maintenance detergent for asphalt, linoleum, marble, rubber, wood, vinyl, vinyl composition, terrazzo and cork floors.
- (2) As an all-purpose detergent for painted walls, woodwork, desks, chairs, furniture and venetian blinds.

Directions

FOR LIGHT CLEANING:

- 1. Add 2 to 4 oz. (1/4 to 1/2 cup) of this product to each gallon of water use.
- 2. Apply solution with cloth or sponge.
- 3. Wipe surface dry with clean cloth.

FOR HEAVY SOIL CONDITIONS:

- 1. Add 6 to 8 oz. (3/4 to 1 cup) of this product to each gallon of water used and follow steps 2 and 3 above.

FOR MAINTAINING FLOOR FINISHES:

- 1. Mix 2 oz. (1/4 cup) of this product to each gallon of water used.
- 2. Damp mop on floor or clean with automatic scrubber and red pad.

CAUTION: EYE IRRITANT. Contains Organic Surfactants. Avoid getting product into eyes. If it does, rinse eyes with plenty of water for at least 15 minutes and get medical attention. Do not take internally.
